Why Gyanvilla

Start From Your Comfortable Level

People come to us across all proficiency levels from an absolute beginner to someone who is fluent. we have categorized our Spoken English and Communication Skills Courses in four levels:

Practice Speaking

We offer a one-hour session in main classes in which 75% of the duration is focussed on multiple speaking activities.

Additionally, we impart Public Speaking & Soft Skills Training in extra classes on weekends, which ultimately helps you become a captivating communicator.

Practice-based Grammar Lessons

Our syllabus is systematically designed to get you covered across all the essential grammar topics supported by speaking activities and practice-based assignments.
